

NUSA ISLAND RETREAT

5 minutes across the harbour from Kavieng, Nusa Island Retreat is an ideal base for your surf, dive, or sailing trip.

Kavieng is a two hour flight from Port Moresby, with connections daily from Australia.

For families, it is a perfect place for the kids to swim, snorkel or kayak, all within view of the restaurant and bar in the sheltered bay.

Nusa Island retreat also caters for the fishermen, war historians and walkers, and can also arrange bike riding, eel feeding as well as cultural activities and village tours.

Surfers will find some of the best breaks in PNG, all within 15 minutes of Nusa. The best time is from November to March, when the NW winds are blowing.
