Dear Jeanette,

On behalf of Buk bilong Pikinini, I would like to thank you for your generous help to arrange free transport of books from Cairns to Port Moresby.

Since the establishment of Buk bilong Pikinini in February 2007, books are one of the essential items needed to create our libraries and give disadvantaged children access to reading in Papua New Guinea. In order to open a library, we need about 1500 books, educational toys, craft materials as well as desks and chairs.

Despite the challenge, we have established four fully functioning children's libraries in Port Moresby, one in Lae and one in Goroka. We have three more planned for Port Moresby in 2010 and continue to receive requests for more.

We are delighted with the feedback we are receiving about the positive contribution our libraries are making to the children and community.

As well as the very generous corporate sponsorship for establishment of the libraries and engagement of teachers, we are really impressed with the scale of the contribution of books, that we continue to receive (mostly from Australia). But none of these books would be possible to reach the disadvantage children in Papua New Guinea without the generous help from people like yourself, who organized free transport of books.

On behalf of the children and Buk bilong Pikinini, please accept our humble thanks for your assistance.

Kind Regards

Liana Hitchcock
