

**Taklam Lodge & Tours** was the first Guest House in Kokopo to operate following the 1994 twin eruptions in Rabaul. It was started as a family venture and has retained the tradition of being a family friendly venue.

Taklam Lodge is the perfect 'home-base' from where you can discover exciting Kokopo.

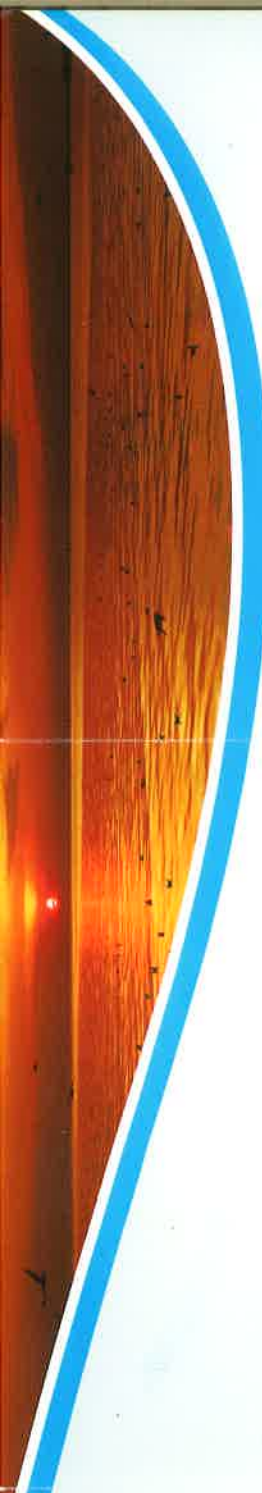

Located right in town and opposite the new Kokopo market, Taklam Lodge allows you to "access all areas" from one convenient location.

Featuring a range of rooms from standard in our original wing through to our new spacious deluxe rooms you can choose a room to suit your style and budget.

Our deluxe rooms have their own bathroom en-suite and air-conditioning. All our rooms are comfortable, clean and private.

Our Chopsticks Restaurant serves breakfast, lunch and dinner. A tropical breakfast consisting of fresh fruits, hot beverages and toast is offered as part of our room rates.

Our bar serves wine, soft drinks and the famous SP beers.

We offer land and sea tours.

Our popular tours are the Gazelle Peninsula Tour which takes you to see the barge tunnels, hot springs, the active Mt Taurvur and the now devastated town of Rabaul. Another favourite is our Harbour Cruise where you get to see the "Bee hives", Simpsons Harbour, and the 'megapod miners'.

You can also go snorkelling at Pidgeon Island or visit the beautiful Duke of York Islands with their aqua waters and white beaches.

To get around on your own, we can offer you a hire car from our own fleet. Our cars are reasonably priced and well maintained.
