# P A P U A N E W G U I N E A

Tufi Resort is set in a very unique and pristine region, with its clear waters that offer some of the best diving in the World to the magnificent Fjords and the surrounding rainforest. Water falls, Birds of paradise, flocks of Horn bills, eclectic parrots, rare black palm cockatoos and numerous species of lorikeets. There are beautiful white sandy beaches with colorful fish and spectacular corals scattered along the Tufi coast. Tufi is an exciting destination for the adventure, offering trekking, cultural activities, exploring pristine rainforest, village visits and outrigger trips into the Fjords.

Take a traditional outrigger canoe safari along the coast and visit the villages. The village guest stays are a great way to experience the local way of life. Explore the Fjords, go snorkeling and help catch fresh lobsters with the local people then watch them prepare you a feast for dinner.

Trek up to the twin mountains of Trafalgar and Britannia, the highest being 1700 metres. Experience this untouched pristine environment that offers unique flora and fauna. Here you will see the spectacular Bird Of Paradise

plus numerous other rare birds. Set up camp and spend a few days exploring, this magical location.

Tufi offers interesting cultural activities, the local people still mostly live the way that their ancestors have lived for the last thousand years. Experience the traditional ways of Sago making, female tattooing, canoe making, string bag making, rope and fish net making. Experience their colorful dancing and their spellbinding rituals. Be mesmerized by their fantastic head dressers and their tapa cloth designs. Listen to their stories that are entwined in the sorcery that is still practiced in the Tufi area on a daily basis but best of all meet the friendliest people in the South Pacific.
