

5 nights' Mt Hagen, 2 nights' Goroka, 2 nights' Madang, 2 nights' Sepik, escorted small group tour for independent travellers with guide and half board.

TOUR INFORMATION

This eleven night escorted tour program is designed for independent solo travellers and couples requiring shared, managed arrangements for attending the Mt Hagen Show (also incorrectly called the Mt Hagen Festival) and seeing some more of the mainland New Guinea countryside after. The tour offers a selection of accommodation options at Mt Hagen – subject to availability at the time of booking – and comfortable tourist hotels in the other towns. In Mt Hagen there are organised excursions to the Show, the Paiya Sing-sing and other attractions. In the other towns there will be a variety of excursions to villages and other cultural and nature sites. During the tour you will share a bus, guide and attraction seating or walking with others in the tour group, but in the evenings there are options to dine alone and have time to yourself if you wish.

The Mt Hagen Show is Papua New Guinea’s largest cultural extravaganza. The Show has its origins in colonial days when colonial administrators sought to reduce tribal fighting by promoting inter-marriage and channelling inter-tribal rivalry into positive forms of competition. Major sing-sing events like the Mt Hagen Show and Goroka Show became opportunities for tribes to gain status without bloodshed, by competing to put on the best cultural performance. The Mt Hagen Show today is still a competition, with tribal groups vying for sizeable cash prizes and of course the honour and glory that first prize at the “Hagen Show” brings to one’s tribe.

The Show attracts cultural groups from all over Papua New Guinea, even from Bougainville and the Trobriand Islands. The local crowd of 50,000 mainly flock in from the Highlands provinces plus Madang and Lae as these are the only places with road access to Mt Hagen. In contrast, less than 300 overseas visitors attended last year’s Show, so it is still definitely a “local” festival and not just for tourists. There are also agricultural and trade displays, health awareness programs, sideshow alley and all manner of other activities at the Show which make it the highlight of every year for the Highlands people. Some very remote villagers come to town only once per year, for the Show, so you will see quite a kaleidoscope of faces just in the spectator crowd, even before you turn your attention to the sing-sing arena. Tourists and locals with cameras are given special seats with the best view, and you will also have permission to enter the performance arena to take close-ups of the dancers.

Apart from the Show itself, there is also another, smaller sing-sing on the day before the Show. This is held at Paiya Village about half an hour’s drive out of town, is more informal without the huge crowds, and provides an authentic

village backdrop for photography, with opportunities for watching the performers putting on their make-up and body decorations before the performance.

Other highlights of this road tour include:

- Full day scenic road transfers from Mt Hagen to Goroka and Goroka to Madang with stops at villages and natural attractions
- Performances of the Omo Masalai skeleton dancers and the Asaro Mudmen at their home villages
- Nature walks in the Daulo moss forest biodiversity hotspot and the Madang rainforest.
- Visits to traditional villages around Goroka and Madang
- A day trip to the mysterious Sepik River

Day 2 – Thu 13 Aug

MT HAGEN (Full day Mt Hagen district excursion)

08:30 Depart from the hotel in our privately chartered 30-seat bus for a full day of sightseeing around Mt Hagen district starting with a turn around the main commercial area to point out the location of key banks, grocery stores, hospital etc then head out the Kuminga back road past peri-urban villages, roadside markets, market garden plots and coffee plantations to Mt Ambra which offers scenic views of Mt Hagen (if the access gate is open). From Mt Ambra head around the back of the airport past the Show Grounds to the Highlands Highway and east to Kindeng farming community which is the home of our Mt Hagen guide. Here you'll have candid opportunities to mingle and chat with local people engaged in small scale agricultural activities such as marketing gardening, fish farming and raising livestock. Families from a number of different areas of the highlands have settled at Kindeng which makes it quite a diverse community. From Kindeng you'll drive back into town and turn south on the Kum Road out to Rondon Ridge for a guided nature walk in the forest reserve and magnificent orchid gardens around Rondon Ridge Lodge. Lunch will be served at Rondon Ridge Lodge. The Raggiana bird of paradise is common in this area and there is a good chance of seeing or at least hearing one in the wild (they have a very loud call).

Returning to Mt Hagen your bus will follow the Highlands Highway west into the Melpa tribal region and up a side road to Moika or Ogelbeng village. Here you will be able to take a walking tour of the village and gardens, go inside a family hut, meet local people and children doing their everyday thing and photograph some villagers in full costume and body paint. You'll also see a rare display of tribal treasures which have been passed between families for generations for the settlement of marriages and conflicts – “moka kina” mother of pearl, cowrie shells transported from the coast, animal bones and teeth, brilliant bird feathers (and even sun-dried whole birds!), stone and shell “money”. Return to the hotel before the afternoon rain begins. Overnight Mt Hagen (selected hotel) includes breakfast

NB If you have a particular interest in birds you may wish to buy a copy of “Birds of New Guinea”, available in Port Moresby from major hotel gift shops.

Day 3 – Fri 14 Aug

MT HAGEN (Paiya Village Sing-Sing)

07:00-07:30 Pick up at your accommodation for the scenic drive through typical highlands countryside to Paiyakona (Paiya) village where a private sing-sing performance for overseas visitors is held the Friday before each Mt Hagen Show. Arriving before the sing-sing commences you can watch the performers adorning themselves with feathers, shells and ochre paints in preparation for dancing. The performers will be happy to show and tell about their traditional dress (“bilas”) and pose for photographs without expecting payment. About 10 different dancing groups will perform, mainly from the Highlands, including the Huli wigmen, the Melpa tribe stompers and the Enga tribe with their wide black wigs. Some of the groups will also perform at the Mt Hagen Show on the weekend.

The Paiya sing-sing includes a “mumu” lunch cooked under hot stones at the sing-sing grounds, and a tour of the cultural displays at Paiya village including the men’s spirit house and the ancestors’ skull house which really is an ossuary full of dozens of skulls. Some traditional customs like courtship ritual and mourning rites may also be demonstrated. The advantage of attending this private sing-sing in addition to the Mt Hagen Show itself is the village environment which makes the experience more authentic, the smaller crowd from just the one village area is easy to socialise with, and the photography in the bush setting without buildings, fences and advertising signs in the background is much more rewarding.

If the afternoon rains hold off after the sing-sing your tour bus will drive you further west along the Highlands Highway as far as the border between Western Highlands and Enga Province, then return to Mt Hagen. On the outward drive please note any photo stops you’d like to make on the way back and notify the guide or driver. Overnight Mt Hagen (selected hotel) includes breakfast

Day 4 – Sat 15 Aug

MT HAGEN (Festival)

07:00-07:30 Pick up at your accommodation for the 30 minute drive to the show grounds. Our staff will have already been out there earlier in the morning to set up a marquee and chairs for you. Arriving before the start of the show, you’ll be able to walk among the performers and capture some candid photos as they apply their face paint and body decorations.

The program usually begins around 09:00am with half an hour of speeches followed by a grand parade with all participating cultural groups marching around the arena several times. The rest of day will loosely follow a printed schedule of individual group appearances, usually with three or four different groups performing in different areas of

the arena at the same time because with 80-100 different cultural groups attending each year there are too many to fit in a weekend program if performing one by one. Tourist pass holders are permitted to enter the arena to take close-up photographs but do try to avoid getting in the way of other tourists' cameras. We will have extra guides on hand to describe and explain the dances for you and accompany you around the arena (and side shows) if you need help with your camera gear etc.

Bottled water and a supply of fruit and bakery snacks is supplied for lunch today (fresh lunches cannot be delivered because of the crowd and traffic gridlock outside the show ground gates by mid-morning). Mid-afternoon as the daily downpour looms, your group will pack up and depart the show before the end of the program in order to beat the exit chaos in the carpark and street outside. Drop off at your accommodation. Overnight Mt Hagen (selected hotel) includes breakfast.

Day 5 – Sun 16 Aug

MT HAGEN (Festival)

07:00-07:30 Pick up at your accommodation for the second day of the Show which will feature different cultural groups from yesterday and of course the judgment and prize-giving at the end of the day. However your group will again leave a little early to beat the crowds and avoid getting stuck in gridlocked traffic and doused by afternoon rains. If there is time remaining in the afternoon and the weather stays dry your guide may offer a short excursion. Overnight Mt Hagen (selected hotel)

Day 6 – Mon 17 Aug

MT HAGEN – GOROKA (Private bus trip with village stops)

08:00 Check out of the hotel and load your bags in our charter bus for 08:30 departure to Goroka. Normally the drive takes 4 hours but today's transfer will take the whole day with sightseeing and lunch stops enroute.

The Highlands Highway runs east from Mt Hagen, passing first through the market gardens, and coffee and tea plantations of the Waghi Valley. This valley is often called the "food bowl" of PNG because of the intensive agricultural activities and in fact at the village of Kuk near Mt Hagen archaeologists found evidence that the area has been planted with food crops for thousands of years. From the Waghi Valley the highway passes through the small towns of Kudjip and Minj then climbs into the alpine Chimbu Province with its precipitous ravines and steep mountainsides amazingly covered in furrowed gardens with people working away in them... "One foot uphill, one foot downhill" as the locals sometimes joke.

The first stop late morning will be at Mindima village in the Chimbu province to see the villagers of the Omo Masalai tribe perform their ghoulish but slightly comical "skeleton dance" and a demonstration of their local courtship ritual. Back on the highway PNG's highest peak, Mt Wilhelm, comes in to view on the left as the bus winds its way to Kundiawa town, the "capital" of Chimbu, for a lunch stop at the Mt Wilhelm Hotel (included).

One hour further on brings you to the "snake village" where the local people have a strange affinity for snakes and like to keep them as pets, although the poisonous ones stay in cages. You'll see the locals showing off their pythons and tree snakes and have a turn at handling them if you wish. If you are not a "snake person" you can cower in the bus ☹

From the snake village, continue another hour to the peak of the Daulo Pass, a high altitude biodiversity hotspot where the road winds through swirling mists past giant tree ferns and trickling waterfalls. Local children sell flowers on the side of the road here. If it's not raining by this time you will be able to take a guided walk through the ancient moss forest which

is populated by flowering and non-flowering trees and ferns which form a substrate for the growth of a wide variety of saprophytic native orchids, green mosses and colourful fungi, lichens, liverworts and leafy epiphytes. Birds of paradise also frequent the area. From the Daulo Pass the road descends through the fertile Asaro Valley and finally into Goroka town.

16:00 (approx.) On arrival in Goroka you will be checked in at your accommodation and have some time to rest and settle in before dinner.

18:30 Bus transfer to dinner (Bird of Paradise Hotel, Pacific Gardens Hotel, Goroka Steak House or Mandarin Chinese Restaurant, pay as you go).

Overnight Bird of Paradise Hotel, Goroka (includes breakfast)

Day 7 – Tue 18 Aug

GOROKA (full day town and villages tour)

07:00 Breakfast at the hotel

08:00 Meet up with your guide at reception and commence some sightseeing around Goroka town including:

- Mt Kiss lookout (see most of Goroka town and the adjacent Asaro Valley)
- JK McCarthy Museum of Highlands Culture (if open)
- fresh produce market (vegetables, pigs, chickens)
- handicrafts market (woven bilum bags are the best buy)

Later, we drive 30 minutes out of town to the Asaro Valley, home of the famed Asaro mud men. Here you will be treated to a private mud men performance - a little corny but a lot of fun and great photography. The Asaro people have long had a tradition of crafting fierce looking clay helmets worn during tribal fights in the old days to frighten the enemy. The helmets are also worn for traditional dancing and drama performances demonstrating how their ancestors confronted enemy tribes wearing their scary mud helmets, their bodies smeared with grey mud, looking like evil ghosts. After the dance (or “prance”) you’ll be shown how the clay helmets are made, and you’ll have an opportunity to try one on yourself. An added bonus will be a cane-swallowing ritual performed by men from the Bena tribe. Lunch (if you can stomach it) will be served at your guide’s home at Asaro - meat and vegetables roasted in bamboo.

From Asaro, drive 30 minutes further to Kenadi village where the people live an even more traditional lifestyle in round huts made of bush materials. The village is a typical rural highlands community with smoky cooking fires and pigs wandering around. At the village you’ll be welcomed by locals in traditional dress and walk by a number of homes to see locals engaged in different daily chores and activities including cooking, house building, making and using bows and arrows, weaving “bilum” string bags, fashioning “kundu” hand drums from hollow logs and a special demonstration of funerary rites. On the land around the village you’ll see people engaged in vegetable gardening (the highlands climate is perfect) and tending their coffee crops. Organic coffee grown on smallholder blocks is the major local cash crop.

17:30 Return to hotel. Overnight Bird of Paradise Hotel, Goroka (includes breakfast)

Day 8 – Wed 19 Aug

GOROKA – MADANG (Private bus trip)

06:00 Breakfast in the hotel

07:00 Check out and meet up at reception to make an early start on the bus ride to Madang. A packed lunch and plenty of bottled water is arranged by the guide. The trip takes 8 hours, initially a downhill gradient through scenic villages and countryside along the remainder of the mountainous Highland Highway, passing through the rural towns of Henganofi and Kainantu (toilet stops) and crossing the majestic Yonki hydroelectric dam before descending through the steep winding Kassam Pass into the wide flat Ramu River

Valley. Twisting down the hairpin bends of the Kassam Pass – which is occasionally blocked by landslides so no yodelling please - you may notice the change in temperature and humidity as you pass through the thermal inversion layer from the dry, cool air of the highlands to the moist, warm air of the coastal tropics. Making a left turn onto the Ramu Highway, the drive transitions into a smoother and faster run for the remaining 3 hours down to Madang, passing by many kilometres of sugar cane farms and other agricultural ventures. The final leg into Madang town becomes more crowded with many roadside hamlets, markets and smallholder blocks, with occasional glimpses of the Bismarck Sea visible to the right.

On arrival in Madang town one of the first landmarks visible is the Coastwatchers Memorial Lighthouse which flashes the Madang harbour signal out to sea at night and is an iconic feature of Madang – somewhat resembling a life-size space rocket - located next to “Machine Gun Beach”, a sheltered swimming beach featuring a number of wartime artillery relics. After checking in at your hotel you’ll be free to spend the last few hours of the day at leisure. You can explore the hotel gardens or take a walk around the foreshore area near the hotel where you’ll find a small barbeque market selling fried fish and fried bananas, and a small boat dock. This is a safe area where you can walk around by yourself with any safety concerns. Overnight Madang Resort Hotel (includes breakfast)

Day 9 – Thu 20 Aug

MADANG (town and village tour)

07:00 Breakfast at the hotel

08:00 Commence today’s exploring of Madang town and surrounds.

First up see a fine array of Madang handicrafts at the Madang Resort carver’s hut and orchid gardens then stop at the town centre for a browse through the fresh produce market. A poke around in a typical Chinese store is also a must! Also in the town centre you will see Madang’s resident flying fox colony, a love-them-or-hate-them crowd of noisy bickering creatures that inhabits a copse of trees in the town square.

Down on the foreshore, stop at the Coastwatcher’s Lighthouse, Machine Gun beach, and the lovely tidal lily ponds of the Madang inlet and the Gold Club lily ponds. Further out of town, stop at the Madang culture museum (toilets available) and the pretty Balek Grotto (see left) which is a cold water sulphur spring where you can feed turtles and eels - the site was used for some scenes in the Pierce Brosnan film Robinson Crusoe. You can take a short walk through the surrounding tropical gardens and patch of rainforest where you may come across birds and other fauna.

13:00 Arrive at Hobe village, a small rural community near the Gum River. Most homes in this village are of traditional bush material construction and there is no electricity. The villagers farm the land to grow fruit and vegetables to sell at Madang market as well as for home consumption. The village is situated adjacent to a tract of tropical forest where the locals also hunt for game and harvest bush materials for building and repairing their houses. Here at Hobe you will enjoy a local-style lunch, while watching a Madang sing-sing performance replete with head-dresses featuring ships and planes! Later during a village tour you will be able to go inside a family home and see how they live. There is also a rainforest and garden walk available here if the afternoon rain holds off. Late afternoon, depart Hobe village and return to hotel. Overnight Madang Resort Hotel (includes breakfast)

Day 10 – Fri 21 Aug

MADANG (harbour and lagoon tour) - WEWAK

07:00 Breakfast at the hotel and check out of your room. Store bags at reception.

08:00 Board a motor boat owned by the hotel for a sightseeing and snorkelling excursion in the Madang lagoon. This may be a local-style “banana boat” (small motorised skiff or fibreglass dinghy) or a larger vessel depending on our numbers.

The tour will take in the Madang inner harbour and port with its sheltered waterways and tidal lagoons and also the giant outer Madang Lagoon which has many small islands, some inhabited by village communities while others are home to birds and crabs only. Stops will include Alexishafen (German missionary outpost occupied by the Japanese in WW2 then destroyed and rebuilt by the Allies) and Pik (Pig) Island, a lovely place to swim and snorkel over the colourful reef (mask/snorkel supplied).

12:00 Lunch at the hotel and transfer to the airport.

14:50 PNG Air flight CG8572 departs Madang for Wewak

15:45 Arrive Wewak and transfer to hotel.

Overnight In-Wewak Boutique Hotel (includes breakfast)

Day 11 – Sat 22 Aug

WEWAK (Sepik River day trip)

06:00 Breakfast and transfer to Wewak airport

07:30 MAF light aircraft charter departs Wewak for Timbunke airstrip on the Middle Sepik. (Two flights may be required if you are a large group).

08:00 On arrival at Timbunke, there will be a warrior challenge and welcome ceremony. Here you will meet up with our Sepik River tour guide and board a motorised canoe. (NB In the event of unsuitable flying weather or unavailability of aircraft, travel will be by road both ways).

09:00 Depart Timbunke by motor canoe 30 minutes upstream to Kaminabit, the first of the “crocodile cult” villages (Iatmul tribe). At Kaminabit, stop at Bowie’s Art Centre, a little hut with an excellent range of crocodile-tooth jewellery and other artefacts from all over the Sepik Basin. From Kaminabit, one more hour upstream brings you to Kanganaman village which boasts the largest Spirit House on the Sepik. The Spirit House is packed with artefacts – some are made for sale while others are tribal heirlooms not available for sale. At the Spirit house you’ll hear local guides talk about life along the river and especially the crocodile animist religion. Some men may show you the “crocodile skin bumps” on their backs and some young men who have recently been initiated may show you their fresh scars. Here at Kanganaman Spirit House you will also hear flute and drum players perform and a local style lunch will be served.

After lunch, take a walk around tour of the village then motor back down river to Tambanum, one of the largest villages on the Sepik River which has several smaller spirit houses (one for each clan in the village) and many homes with carvings and woven handicrafts for sale out front. Much of the village is built on a riverside sandbank so the walking here is mainly on firm sandy ground with no mud. Later, motor further downstream to the road head at Kanduanam and transfer to a bus or passenger lorry for the three hour drive back to Wewak, arriving at the hotel in time for late dinner.

The Paiya sing-sing is a private performance of cultural groups held at the Paiya Kona (Paiya) village sing-sing ground the Friday before every Mt Hagen Show. The purpose of the Paiya sing-sing is to give visitors the opportunity to enjoy traditional dancing in a village setting away from the chain-mesh fences and thronging crowds of the Mt Hagen Show, get photographs with village backdrops and mix with the performers before and after the program. Arriving early before the sing-sing commences you will be able to watch the performers adorning themselves with feathers, shells and ochre paints in preparation for dancing. The performers will be happy to show and tell about their traditional dress (“bilas”) and pose for photographs without expecting payment. About 10 different dancing groups will perform, mainly from the Highlands. Some of them are groups that will perform at the Mt Hagen Show tomorrow.

The Paiya sing-sing includes a “mumu” lunch cooked under hot stones at the sing-sing grounds, and a tour of the cultural displays at Paiya village including the men’s spirit house and the ancestors’ skull house which really is an ossuary full of dozens of skulls. The chief and his three wives will be on hand for photos and some traditional customs like courtship behaviour and mourning rituals will be demonstrated.

In previous years our tour groups have always commented that they enjoyed the Paiya sing-sing even more than the Mt Hagen Show itself, because the village setting made the experience (and the photography) more natural and the smaller crowd from just the one village area was easy to socialise with.

The Mt Hagen Show is Papua New Guinea’s largest cultural extravaganza. The Show has its origins in colonial days when colonial administrators sought to reduce tribal fighting by promoting inter-marriage and channelling inter-tribal rivalry into positive forms of competition. Major sing-sing events like the Mt Hagen Show and Goroka Show became opportunities for tribes to gain status without bloodshed, by competing to put on the best cultural performance. The Mt Hagen Show today is still a competition, with tribal groups vying for sizeable cash prizes and of course the honour and glory that first prize at the “Hagen Show” brings to one’s tribe.

The Show attracts cultural groups from all over Papua New Guinea, even from Bougainville and the Trobriand Islands. The local crowd of up to 100,000 mainly flock in from the Highlands provinces plus Madang and Lae as these are the only places with road access to Mt Hagen. In contrast, less than 500 overseas visitors attend the Show, so it is still definitely a “local” festival and not something put on for tourists. Some very remote villagers come to town only once per year, for the Show, so you will see quite a kaleidoscope of faces in the spectator crowd, even before you turn your attention to the sing-sing arena.

Tourists sit in a private viewing area and have permission to enter the performance arena to take close-ups of the dancers. Typically the crowds in the Show grounds number 50,000 in the morning swelling to 100,000 in the afternoon when the public ticket gates were opened for free entry. The crowds are so dense that it is very hard to walk around the stalls and displays, even with guides to shepherd you, very easy to get separated from others and get lost, and very easy to get pick-pocketed. Realistically we have to abandon any ideas of our tour group perusing the stalls around the show ground after the sing-sing program in the arena. We need to just focus on getting in to the tourist enclosure, watching the sing-sing program and getting out again (we will drive in and out by bus but even this involves inching through the throng).

Toilets are available in the tourist area but there has been no decent food and drink available from year to year so simple lunch catering is provided by your tour guide.

GENERAL TRIP NOTES

1. Prices are quoted in Australian Dollar and are correct at the time of printing this document (10 Feb 20). They are subject to currency fluctuations and may need to be re-quoted if large variances occur with the USD and PGK rates. PNG Holidays **WILL NOT** be liable for changes in price due to the above and the rate **is not guaranteed until paid in full**.
2. Hotels in Mt Hagen charge peak-season rates for the Show weekend and there is an acute shortage of rooms. This contributes to the high cost of this package.
3. Package rate for 4.0 star hotels includes all meals because it is a condition of booking rooms at those hotels for the peak Show weekend that dinners and breakfasts must be pre-purchased in-house.
4. Hotel accommodation. Hotel rooms in the towns transited on this tour are generally of three star standard. Hotel and resort rooms all have private bathrooms, TV and air-conditioning (except in the highlands), unless otherwise specified. While we endeavour to book you into the hotels stated in the tour itinerary, in cases where specified hotels are fully booked by the time we receive your tour deposit we may have to book you into alternative accommodation. In this situation we strive to book you into the next-best available accommodation and we apologise in advance for any disappointment. No compensation or partial refunds or discounts can be paid or allowed on the basis of the perceived quality of hotel rooms provided for you while on this tour because the wholesale rates offered to us by the higher quality tourist hotels are similar to the non-commissionable rates we have to pay lesser quality motels when the tourist hotels are full.
5. When booking a Mt Hagen Show road tour package with us we require a 30% deposit at the time of booking so that we can immediately secure your preferred accommodation. Our normal cancellation penalties apply (see our terms and conditions). The balance is due no later than 8 weeks prior to departure. We may be able to offer an early bird discount if paid in full at the time of booking.
6. Star ratings are an approximate guide only and are not based on any published star rating system.
7. Single supplement. All accommodation included in the tour package quoted is twin-share. On payment of a single supplement levy and subject to availability, we will arrange single occupancy for you at the hotels and a row of two seats on the bus on this tour. The single supplement charge is a flat rate and covers the cost of the extra room for the additional arrangements. If you are travelling alone and you do not pay the single supplement, or if single supplement is not available, we will room you with another member of the tour group of the same gender. Smoking won't be allowed in any of the hotel or guest house rooms on this tour.
8. Extras. Bar drinks, between-meal snacks, any meals not included in the package, and other extras at hotels can be paid for in cash or with credit card direct to the hotel or restaurant.
9. Safety and security. Papua New Guinea is sometimes portrayed as a dangerous destination, but although street crime is a concern in some urban areas and tribal fights are prevalent in some parts of the Highlands, the vast majority

of the country, especially the rural areas, is safe and welcoming. It is very uncommon for a tourist to be a victim of crime in PNG because tourists do not usually visit areas where crime or tribal violence are prevalent. Nevertheless, PNG Holidays takes the safety and security of our visitors seriously and all tours we offer involve destinations that we rate as safe.

10. Climate and clothing. In the Highlands areas like Mt Hagen and Goroka, the days are generally warm and sunny with moderately cold nights and mornings. We suggest visitors pack clothes made predominantly of cotton which will allow an evaporative cooling effect in hot humid areas. Pack a sweater or warm jacket for wearing in the Highlands in the evenings. Wewak and Madang are situated in low lying coastal regions where the climate is hot and humid. A few light changes of breathable UV clothing is recommended with a good wide-brimmed hat and good walking shoes. A Light poncho may be useful in case of showers or if travelling on boats. Recommended sleeping attire is light track pants and sweat shirt or similar. Papua New Guinea is a conservative country and brief or revealing clothing worn by foreigners is frowned upon.

11. Packing suggestions. We suggest that your packing list include: rain poncho, a one-litre water bottle, a small first aid kit. We recommend valuable personal items (camera, travel documents etc) be packed in zip lock plastic bags to protect them from the wet (rain, bow spray). Suitable footwear for this tour includes tennis shoes/sneakers, and a pair of sandals/thongs/flip flops. Bring plenty of spare batteries and USB/memory cards for your digital camera because batteries seem to go flat more rapidly in the humid climate and are not obtainable in all stores here. Personal fan and torch, favourite snacks, personal hygiene requirements, medication, sunscreen, insect repellent (no aerosols), quick dry towel, soap, toilet paper (for villages). Power outlets are the same as in Australia.

12. Baggage – scheduled flights. The free baggage allowance on scheduled domestic flights is 30kg and the carry-on limit is 5kg, when included on an international ticket purchased through PNG Holidays. Domestic checked-in allowance is 16kg. Naturally you can check more baggage if you are prepared to pay the excess baggage rate which is approximately PGK10 per kilogram Port Moresby to Mt Hagen. Due to narrow-body turbo-prop aircraft operating some scheduled flights, large carry-on items may be taken off you and stored in the hold even if the weight is under the carry-on limit. Liquids are permitted in both checked baggage and carry-on for domestic flights but pressurised aerosol spray cans are not permitted on any domestic flights in PNG either in checked luggage OR carry-on. Bring pump-action sprays or roll-ons. When flying out on your international flight, pack all gels, lotions and other liquids in your checked baggage as carry-on luggage will be hand searched and liquids including water bottles will be removed. If you have liquids that you need during the flight, declare them, to airline staff at check-in.

13. If you are on a gluten free diet or require other special food just let us know in advance and we will do our best to accommodate you, but you should take snacks, special milk. Gluten free cereals etc. as not all items will be available (remember, this is a third world country).

14. Water. Town water supplies in Papua New Guinea are treated and officially rated as safe to drink. In the villages, drinking water is usually collected in rainwater tanks or carried in containers from clean water sources. However to prevent discomfort from drinking from a different water supply every day as you progress through your tour, we recommend you drink bottled or boiled water, or use water purification tablets.

15. Visas. Tourist visas are NOT available on arrival at Port Moresby airport at the moment due to the outburst of Coronavirus. You can pre-purchase your visa at this link: <https://evisa.ica.gov.pg/evisa/account/apply>. Please note your passport must have at least 6 months validity left on it in order to be issued a PNG visa. Passport-holders of central and eastern European countries, Middle Eastern countries, African and Caribbean countries must normally apply for a visa at least 6 weeks in advance, from a PNG embassy or high commission (London, Brussels, Washington DC, Canberra, Singapore, Manila) or through the Australian diplomatic mission in other countries.

15. Money. The best way to obtain PNG currency is by withdrawing a credit card cash advance on arrival. Automatic teller machines operated by major banks in PNG will accept MasterCard and Visa Card but there is an ATM withdrawal limit of PGK2000 (about AU\$820) per day. Larger amounts can be withdrawn over the counter in bank branches located in major towns. The currency exchange booths at Australian and Asian airports usually have PNG Kina currency in stock (banks and currency exchange booths in the city centres may not), but don't change large sums of money before arrival in PNG because the exchange rate for purchasing PNG kina is better here.

16. Package modifications. We can arrange this tour as an 'add-on' to other tours or accommodation packages and can offer much better rates on domestic airfares if bundled together with international flights.

17. Places on the tour are subject to availability of rooms at the time of booking. We do not block book hotels. Mt Hagen has less than 300 tourist-quality hotel and motel rooms and most properties capitalise on this shortage of rooms during the Show weekend by charging peak-season rates. This contributes to the high cost of this package.

18. Visit a tropical health doctor or GP. PNG has malaria carrying mosquitoes in coastal regions, so prevention medication is recommended. Being a third world country, you should see your GP about any recent requirements such as Tetanus, Measles, Cholera and the like.

19. Travel agents. If you prefer to book through your local travel agent, we deal with them all the time so they can use us and you should not pay any more by going through them.
