

3 Day, 2 night tour for independent travellers.

This tour gives a short insight into highland life in Papua New Guinea. We will see dance performances from different tribes and be able to interact with the dancers; eat traditional hole-in-the-ground cooked food, known as a mumu; visit local villagers and meet the local chief and his wives.

Your accommodation is at the Magic Mountain Nature Lodge, a traditional style property set in a natural and lush environment, approximately 20kms from Mt Hagen town, at the foot of Mt Hagen mountain. Based on typical Highlands' architectural design, the lodge perfectly blends into the natural environment with traditional identities of the people living locally at Paiya village. All units have en-suite bathrooms with hot water and there is 24 hour electricity.
